

DJ Natashka - Bio

DJ Natashka (Natasha Cloutier) is probably the only DJ in The Netherlands dedicated to French music. Since 2000 she has been spinning at French music parties in the Netherlands and abroad (Belgium, Germany, France, the UK and Canada). Featured in Dutch, French and English-language magazines and newspapers on the French music scene in The Netherlands, her advice is called upon for French music and videos (Filles Fragiles, Gainsbord, Cherry Juice Recordings, The Spinshots) and French events (La French Music, Alliance Française).

She has worked with big names such as Barbara Pravi, Les Nègresses Vertes, Jacqueline Taïeb and Yves Duteuil. From embassy parties to outdoor festivals, DJ Natashka has French music for any occasion.
